

SITUATION

SKC Communications began working with Dentsply Sirona in June of 2017. The new Dentsply Academy in Charlotte, NC acts as both a training hub and an experience center where current and prospective customers can come to learn about and even use the products.

SOLUTION

SKC Communications designed, built, and managed the project. They built technology for

- 1 Training Room
- 1 20 - Seat Conference Room
- 2 Dental Sim-labs
- 1 Surgical Theater/Operator
- 1 Lounge
- 1 Huddle Room
- 1 Work Cafe
- 1 Showroom

RESULTS

7 Interactive Digital Signage Displays Showroom

- JBL pendant speakers
- 8 - SBU's / kiosks
- 2 - 15" Elo touch monitors
- 2 - 32" Samsung monitors

Simulation labs

- 24 - Student stations
- 1 - Instructor station
- 3 - Ceiling mounted PTZ cameras
- 4 - Laptop Connections
- Wireless presentation
- Document camera in each system
