

SKC's Zoom Offerings

zoom

SKC Communications and Zoom together bring modern video-first unified communications to enterprise customers using simple, reliable, and innovative cloud platform solutions for video meetings, phone, webinars, and chat across desktops, phones, mobile devices, and conference room systems.

Meetings

Bring reliable, scalable enterprise video and web conferencing for mobile and desktop

Chat

Streamline workspace collaboration with integrated persistent messaging for desktop and mobile

Webinar

Host and broadcast live virtual events with integrated marketing automation

Digital Signage

Leverage room displays for corporate communications, internal marketing, and more across multiple locations

SKC's expertise in A/V, collaboration, and telephony ensures that our customers are working with an industry leader who can integrate Zoom to all platforms.
